Ophrys apifera

Ophrys apifera (O. abeille)

Ophrys de l'Aveyron
mai 2017

A photograph of several Ophrys aveyronensis flowers in a grassy field. The flowers have purple petals and a prominent, reddish-brown, bulbous labellum. Some flowers are in full bloom, while others are still in bud. The background is a dense field of green grass with some dry, brownish patches.

Ophrys aveyronensis (O. de l'Aveyron)

Ophrys aveyronensis (O. de l'Aveyron)

Ophrys araneola (O. petite araignée)
